

ADERANT

A Saturn27 Partnership

ADERANT Expert, is an integrated, comprehensive solution that enables law firms to improve information visibility and access, boost productivity and billable hours, whilst increasing profitability. Key capabilities include time and billing, practice management, financial management, business intelligence, matter management, records management and professional productivity. ADERANT Expert modular nature allows you to easily add new capabilities as your business grows.

Key Modular Capabilities Solutions:

Business Development

ADERANT Expert streamlines the intake of new business, helping law firms market their services, intelligently price new business, conduct comprehensive conflict searches and automate the file opening process.

ADERANT Expert's business development applications include: Expert Marketing, Expert Opportunity Calculator, Expert Conflicts and Expert File Opening.

Practice Management

Manage client and matter related activities and information with ADERANT Expert. This solution provides a single, scalable, firm-wide system for managing all physical and electronic records - regardless of media type, source of origin, or storage location.

ADERANT Expert's powerful practice management solutions include: Expert Matter Centre, Expert Portal (powered by Handshake Software), Expert Records Management and CA Records Manager.

Time & Billing

ADERANT Expert streamlines a firm's billing process, quickly converting billable time into revenue. Capturing both time and expenses enabling firms to easily create customised bills for their clients.

ADERANT Expert's proven time and billing applications include: Expert Time Management, Expert Expense Management, Expert Disbursement Management and Expert Billing.

Financial Management

ADERANT Expert help firms gain visibility into and control over their core business processes. The comprehensive financial reporting capabilities allow firms to understand their operations in greater detail and use that information as the foundation for performance improvements.

ADERANT Expert's financial management solutions include: Expert General Ledger, Expert Accounts Receivable, Expert Accounts Payable, Expert Cash Management, Expert Global Accounting, Expert Imaging & Microsoft FRx.

Business Intelligence

ADERANT Expert provides decision makers with instant access to the critical financial and operations data they require to better understand their business, facilitating decision making and increasing profitability.

ADERANT Expert's business intelligence applications include Expert Inquiries, Expert Report Centre, Expert Activity Monitoring and Expert Analytics Foundation.
